MIRA CHAT BOT

I'm here to help you with career advice, skill development, opportunities and more.

What would you like to work on today?

stress test to real readiness, the next step is to collect and verify evidence from your GitHub, projects, CV and transcripts, then convert each skill into demonstrable achievement statements. I can help you build the 12-week plan into a verified portfolio and application pipeline if you share approved project evidence.

gaps.

If you'd like, you can also tell me a bit about your current situation (e.g. final-year student, recent graduate, early-career professional) and I'll tailor the advice accordingly.

What career are you aiming for, and what's your field of study? 😊
